CARE HOME

The St Andrew's ethos

We have been dedicated to providing a safe, secure and caring environment for our residents for the last 40 years. We recognise that entering a care home can be difficult for all concerned and we try to make the transition as easy as possible by giving any assistance that we can.

Our mission is to provide nursing and all levels of residential care of the highest quality, giving comfort and friendship within a homely atmosphere, while respecting and being sensitive to the individual needs, wishes and choices of all our residents. Our door is always open and we welcome all residents and their friends and families who wish to be involved in making the Home a better place to live.

The Home

St Andrew's is located 3 miles east of the town of Sleaford in the centre of the picturesque village of Ewerby. Having originally been a vicarage, it retains many beautiful original features, while also having been selectively extended and modernised to offer a high standard of living to all residents. It is set in the privacy of extensive grounds and is within easy walking distance of the church and lovely country pub.

Our staff

St Andrew's is staffed by a qualified and experienced care team led by our manager and her team of nurses and care staff who are on duty 24 hours a day, seven days a week. We continually invest in training our staff to help them develop and gain NVQ qualifications in care. This helps us to continue to improve the care provided to all residents. As a result, we hold the Investors in People Award.

We are very proud of the long length of service of many of our staff, which helps us to provide a stable and caring environment for our residents. Our staff also provide an extensive and innovative activities programme to encourage residents to enjoy their stay to the full.

Features of St Andrew's

- Attractive and personal bedrooms
 - 41 beds in total, mainly in single rooms but with some twin rooms for residents who prefer companionship
 - The majority of rooms have en-suite facilities
 - 12 new deluxe single en-suite bedrooms
 - 24 hour call facility in all rooms
 - Television points in all bedrooms
 - All furniture and furnishings are provided, but we encourage residents to bring anything they would like with them to help them feel at home
 - Most rooms are on the ground floor
- Spacious, comfortable residents' lounges and dining areas
- Pleasant patio area overlooking the extensive well maintained gardens
- Several assisted bathrooms and toilets
- A passenger lift to access the first floor
- Ample car parking

Services offered

- Nursing care
- All levels of residential care
- Respite care (to give normal carers a break or to try out the Home)
- Day care
- Individual care plans for all residents to ensure their personal needs are met in full
- Well balanced, nutritional menus with fresh fruit, vegetables, meat and home baked cakes; with personal preferences catered for
- Regular and varied activities and social programme, including day trips to attractions and events, exercise classes, games, bands and an annual summer fête
- Television, video and music facilities
- Freedom for visitors to get involved with the Home and contribute to the care and activities
- Personal laundry service

Some of the additional services available

- Visits from GPs, opticians, physiotherapists, chiropodists, dentists, aromatherapists, occupational therapists and members of all denominations of the clergy
- Hairdressing
- Daily delivery of newspapers and magazines
- Personal telephone lines available

Maintaining high standards

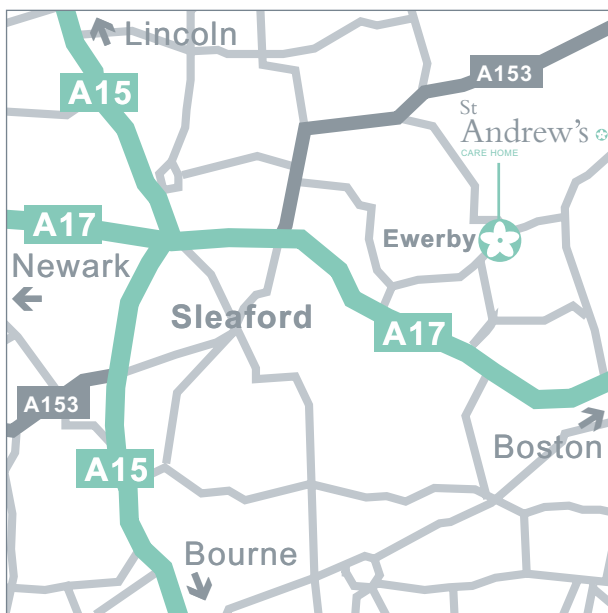

St Andrew's is registered and approved by the Commission for Social Care Inspection (CSCI), the body empowered by the Government to regulate care homes. They inspect St Andrew's regularly to ensure that high standards of care are maintained and the reports they publish can be viewed on their website www.csci.org.uk.

In addition, St Andrew's is a part of the Jasmine Healthcare Limited group, the management of which make regular visits to the Home. This helps the Manager of the Home to ensure that the high standards of the group are being maintained and that improvements in the service and facilities are continually being sought and implemented.

Further information

The best way to decide if St Andrew's is suitable for you, or your relative, is to come and have a look around and get a feel for the friendly and homely environment it provides. This will give you the chance to meet and talk with the staff and residents and their friends and families, or even just to sit out and relax in the garden! We also offer respite care facilities, so if you would like to try the service for a short period of time either as a one-off or from time to time as needed, this is possible.

If you would rather talk to someone before coming to see us, please feel free to call the Home and ask for the Manager. They will be able to give you any further information you would like about the Home and arrange a free no obligation taster day at the Home.
