GREETINGS FROM ST ANDREWS SEPTEMBER 2020

And we welcome Autumn this month. We have hallowe'en, bonfire night and Christmas looming on the horizen. The children are heading back to school, and the nights begin to draw in.

Leaves are turning colour, and we are looking out our sweaters and coats for those cooler days .

Maybe you have some Autumn memories or traditions that you share with your family? If you would like to share them with us, I am more than happy to print them here.

Last month I asked for your summer recollections, and Ruths daughter kindly sent me some photographs of Ruth and here they are for you to see. Thank you Sarah for sharing theses.

this is Ruth with her mum and dad, and little sister, heading for the beach

Heres Ruth, at a caravan in Somerset and later with her family at Longleat

ACTIVITIES

This month we have done lots of arts and crafts. Some have been done with me, and some have been done with my "glamorous assistant" Marie. Marie is a younger resident, who offered to help me out, and who may have found her vocation in activities. Shes been a great help, and when she moves on later this month, I will be very sorry to see her go. Good luck in whatever your future holds Marie.

We have had our sing a longs, some quiz and trivia sessions and some armchair exercises. Its all been fun and laughter, and we are keeping everyone entertained and happy.

The raised beds are going well, and we managed to raise some little turnips from them recently. Gardening is not my thing, but resident Brenda, keeps me in order while we are outdoors.

We have also been doing armchair exercises, some working harder than others to shift those lockdown pounds we might have gained!!

Work is now in progress for the next session, with plans for Hallowe'en fun and games, and I have written a pantomime for the staff to perform for the residents nearer Christmas.

(oh yes I have !!). Keep your eyes peeled for further updates on this, and all our other activities, on our facebook page.
